INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Gemini Financial Corporation

We have audited the accompanying statement of financial condition of Gemini Financial Corporation as of December 31, 2002. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Gemini Financial Corporation as of December 31, 2002, in conformity with accounting principles generally accepted in the United States of America.

GEMINI FINANCIAL CORPORATION

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2002

NOTE 1- ORGANIZATION AND NATURE OF BUSINESS

Gemini Financial Corporation (the "Company") is a broker-dealer registered with the Securities and Exchange Commission (SEC), and is registered as an introducing broker with the Commodity Futures Trading Commission (CFTC). The Company is also a member of the National Association of Securities Dealers, Inc. (NASD) and the National Futures Association (NFA). The Company's business is primarily comprised of agency commissions and syndicate transactions.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue and Expense Recognition from Securities Transactions

Securities transactions and related revenues and expenses are recorded on a trade-date basis.

Income Taxes

The Company complies with statement of financial Accounting Standards No. 109, "Accounting for Income Taxes," which requires an asset and liability approach to financial reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities that will result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred income tax assets to the amount expected to be realized.

Depreciation

The cost of furniture and equipment is depreciated over the estimated useful lives of the related assets of 5 to 7 years on a straight line basis for book and on an accelerated basis for tax purposes.

Concentration of Credit Risk

The Company is engaged in various investment and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

GEMINI FINANCIAL CORPORATION

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2002

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Comprehensive Income

The Company adopted Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income ("SFAS No. 130"). SFAS No. 130 requires an entity to report comprehensive income and its components and increases financial reporting disclosures. This standard has no impact on the Company's financial position, cash flows or results of operations since no elements of the Company's comprehensive income exist other than the loss from operations.

NOTE 3- RECEIVABLE FROM BROKER-DEALERS AND CLEARING ORGANIZATIONS

Amounts receivable from the Company's clearing organization at December 31, 2002, consist of the following:

	<u>Receivable</u>
Deposit with clearing broker	\$ 100,033
Commissions receivable	15,353
	<u>\$ 115,386</u>

NOTE 4- DEFERRED INCOME TAXES

At December 31, 2002, the Company has net operating losses of approximately \$159,000, \$156,000 and \$144,000, available for carryforward, for federal, state and city income tax purposes, respectively. These carryforwards will expire in various amounts through the year 2020. Additionally, the Company has approximately \$120,000 of interest expense which is not yet deductible on its income tax returns as these amounts are unpaid at December 31, 2002. This interest expense, together with the operating loss carryforwards, produce a deferred tax benefit of approximately \$126,000 for which the Company has established a valuation allowance in the same amount due to the uncertainty of realization.

GEMINI FINANCIAL CORPORATION

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2002

NOTE 5- LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS

At December 31, 2002, the Company has a \$170,000 subordinated note payable to a stockholder that is in accordance with an agreement approved by the NASD and the NFA. The note is due on January 31, 2004 and provides for interest at the prime rate, as defined in the note agreement. The note and accrued interest are subordinated to the claims of general creditors.

Interest expense on the note was \$15,576 for the year ended December 31, 2002, and accrued interest on the note was \$121,498 at December 31, 2002.

NOTE 6- COMMITMENTS

The Company is obligated under an office lease expiring August 2006. In addition to base rent, the lease provides for the Company to pay operating expenses over base period amounts.

Future aggregate minimum annual rental payments under this lease are as follows:

<u>Year ending December 31,</u>	<u>Amount</u>
2003	\$ 55,035
2004	56,258
2005	56,258
2006	37,505
	<u>\$ 205,056</u>

Rent expense for the year ended December 31, 2002 was \$22,661.

NOTE 7- NET CAPITAL REQUIREMENTS

The Company is a member of the NASD and the NFA and is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1, and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company is also subject to the CFTC's minimum financial requirements which require that the Company maintain net capital, as defined, equal to the greater of its requirements under Regulation 1.17 under the Commodity Exchange Act or Rule 15c3-1. At December 31, 2002, the Company's net capital was \$87,381, which was \$47,381 in excess of its minimum requirement of \$50,000.

GEMINI FINANCIAL CORPORATION

NOTES TO STATEMENT OF FINANCIAL CONDITION

December 31, 2002

NOTE 8- EXEMPTIONS

The Company is exempt from Securities and Exchange Commission Rule 15c3-3 and, therefore, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers."

As the Company does not carry customer accounts for trading on U.S. Commodity Exchanges, it neither computes nor segregates funds pursuant to Section 4d(2) of the Commodity Exchange Act and the regulations thereunder.

As the Company does not carry customer accounts for trading on Foreign Commodity Exchanges, it neither computes nor segregates funds pursuant to Regulation 30.7 of the CFTC.

NOTE 9- OFF-BALANCE SHEET RISK AND CONCENTRATION OF CREDIT RISK

Pursuant to a clearance agreement, the Company introduces all of its securities transactions to its clearing broker on a fully-disclosed basis. Therefore, all of the customers' money balances and long and short security positions for these securities transactions are carried on the books of the clearing broker. Under certain conditions, as defined in the clearance agreement, the Company has agreed to indemnify the clearing broker for losses, if any, which the clearing broker may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing broker monitor collateral on the securities transactions introduced by the Company. In addition, the receivable from the clearing broker is pursuant to this clearance agreement. The clearance agreement also requires that the Company maintain net capital of at least \$100,000.

In the normal course of business, the Company's customer activities involve the execution, settlement, and financing of various customer securities transactions. These activities may expose the Company to off-balance-sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.
